MSJCCD is responsible for distributing funds to each Consortium member and/or partner within the region. The award agreement number is 20-328-035.

The SRCAERC will ensure that the implemented programs are being offered to students free of charge, and that personnel hired and purchases made by members meet the required criteria as defined by the CAEP terms and conditions. Each consortium member will submit fiscal reports as required by the California Community College Chancellor's Office.

MSJCCD as the designated fiscal agent and as a member of the SRCAERC is authorized by Section 53060 of the California Government Code to contract with and employ any persons for the furnishing of special services and advice in financial, economic, accounting, engineering, legal or administrative matters.

Subject: CAEP 2021 Final Allocations by Consortia

[Here is the link](#) to the draft 2020-21 final allocation for CAEP by regional consortia. The Governor signed a 2020-21 budget that gave CAEP an additional **\$54,356,000**. The additional funds will be added to the approved May Revise reduction in NOVA. Please review the attached amount for your consortium and let TAP know if you have any questions or concerns.

The State CAEP Office plans to upload the increased amount listed on the attached sheet in NOVA by tomorrow – July 2, 2020. It is critical, especially for direct funded consortia, that you meet and agree to the allocation amounts, by member, as soon as possible. The state will need to lock in this amount for the disbursement schedules due in early July.

Consortia will have until August 14, 2020 to complete the allocation amendment in NOVA. However, direct funded consortia will need to let me know as soon as possible if you agree to the allocation amounts, by member. Remember, education code still applies for member reductions or increases (see EC 84914).

With good news, always comes more work!!!

Neil

Electronic Record and Signature Disclosure		

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Mt San Jacinto Community College (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

We do not require any other information from you to change your email address.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

To request paper copies from Mt San Jacinto Community College

- ii. send us an email to businessservices@msjc.edu and in the body of such request you must state your email, full name, mailing address, and telephone number. We do not need any other information from you to withdraw consent.. The consequences of your withdrawing consent for online documents will be that transactions may take a longer time to process..
